EXTERNAL STUDIES – PROGRAMS, CRITERIA AND ELIGIBILITY

The Open College is the Distance Learning arm of the University of Papua New Guinea. Its core function is to provide administrative support to the University's Schools in the offering of external Diploma and Degree Programs in Papua New Guinea. Specializing in learning delivery through distance education, the Open College offers the following programs:

SCHOOL OF BUSINESS & PUBLIC POLICY MANAGEMENT

➤ **Business Management Foundation Year**

The program is a foundation program and is a prerequisite program to all our Diploma and Bachelor programs offered by the School. It is open to candidates who have completed grade 12 or the equivalent. It is also offered internally. Upon successful completion of the program students have the next option of enrolling in either **Diploma in Accounting (DIA)** or the **Diploma in Business Management (DBM)**, both of which are still offered externally.

➤ **Diploma in Accounting**

In order to be eligible for the program a candidate must have completed BMFY (external/internal mode) and/or must have matriculated or have attained grade 12 certificate or the equivalent with 2 to 3 years accounting work experience.

➤ **Bachelor of Accounting**

In order to be eligible for the program a candidate must be a Diploma in Accounting graduate of UPNG (External or Internal) or from affiliate colleges. It is important to note that the UPNG accounting program is wholly externalised. Candidates can complete the program externally without ever registering internally.

➤ **Diploma in Business Management**

Candidates are admitted to this program after completing the BMFY through the external mode.

SCHOOL OF HUMANITIES AND SOCIAL SCIENCES

➤ **Bachelor of Arts Year 1**

In order to be eligible for the program a candidate must satisfy the following requirements. The candidate must have matriculated and attained a grade 12 certificate or the equivalent with a minimum GPA of 2.0 calculated from 4 core assessable subjects. Eg: L&L, Advance Maths, Economics and History or Geography. Science major students are also encouraged to apply.

Students are selected straight into the various Bachelor of Arts programs, as first year students enrolled in the programs based on GPA. The high demanding programs attract higher GPA's. Upon successful completion of the first year courses, students are admitted into the internal mode to continue as second year students. However, the School reserves the right to transfer students internally based on GPA and space. It is a requirement that a student must secure a minimum GPA of 2.0 to be eligible for transfer into the internal mode of studies. A student who has completed all the required courses but does not meet the required GPA to be admitted internally may be advised to repeat one or two courses in order to raise the GPA to be considered for transfer.

➤ **Bachelor of Arts – Professional Studies in Education: BAPSE**

Intending applicants to do the undergraduate "Bachelor of Arts Programme (Professional Studies in Education)" of the School of Humanities & Social Sciences should meet the following conditions:

Eligibility Criteria

Minimum of five years of professional experience in teaching at Primary School level in PNG with;

- Diploma in Education (P/S)
- Diploma in Teaching (P)

Those with relevant professional experience in human resource development and training are also eligible.

SCHOOL OF NATURAL & PHYSICAL SCIENCES

➤ **Science Foundation Year (SFY) – NCD Campus Only.**

Intending applicants to do the undergraduate Programmes of the School of Natural & Physical Sciences will have to complete SFY.

Eligibility Criteria

In order to be eligible for selections applicants must study ALL the following five subjects in Grade 12 to be considered for the UPNG Science Foundation Year:

- English (Language & Literature or Applied English,
- Advance Mathematics
- Biology
- Chemistry
- Physics

The Grade Point Average (GPA) is computed for all 5 courses.

1. The minimum required GPA for selection is 3.00
2. English and Advance Mathematics must be "B" minimum grade.
3. Students doing only two sciences subjects will not be considered.

NOTE: **General Mathematics in Grade 12 is not considered for Science Foundation.**

Non-School Leavers

1. All Non School Leavers will have to meet all the above Selection Criteria and;
2. If upgrading Advance Mathematics, you must do the Applied Finite Mathematics course at UPNG and you must score a minimum "CR" grade.

NOTE: **Upgrading Mathematics elsewhere will not be accepted or considered by the School.**
